Metro Mapping Foundation

Grant Application Form

Welcome to the Metro Mapping Foundation (MMF)! With this form, you can submit an application for a grant that supports the MMF's mission: improving healthcare and the well-being of patients, family members, and healthcare professionals through the application of the Metro Mapping (MM) methodology. The completed form can be submitted by email to aanvraag@metromapping.org.

This grant is intended to support smaller-scale activities, such as conference attendance, workshops, or short research initiatives, that contribute to the development of knowledge and the application of the MM methodology. The grant covers up to 50% of the total activity costs, with a maximum contribution of €5,000. In some cases, the MMF may reimburse 50–100% of travel, accommodation, or conference expenses.

1. Applicant Information

Organization name:	
Organization type:	Hospital
Address:	
Contact person:	
Email:	
Telephone number:	
KvK-number (if applicable):	

2. Description of the Activity

Title of the activity:	
Brief summary of the activity: (maximum 150 words)	
Location:	
Start date:	
End date:	

3. Relevance and Objectives

Please describe how the activity contributes to the mission of the MMF and how the Metro Mapping methodology will be applied. Also explain the impact the activity will have on patients, healthcare professionals, or research.

4. Budget

Please provide an overview of the costs, co-funding (if applicable), and the contribution requested from the MMF (50% to 100%, maximum €5,000).

Budget item	Total amount (€)	MMF contribution (€)
Total:		

5. Knowledge Development and Dissemination

Please describe how the knowledge and experience gained from this activity will be shared, for example through a presentation, publication, or workshop. Also indicate how recognition will be given to the developers of the Metro Mapping methodology by including the name and logo of Metro Mapping together with the name and logo of the Creative Commons CC BY-NC-SA 4.0 license.

6. Accountability and Reporting

At the conclusion of the activity, a brief final report will be required, including a financial statement. The report should demonstrate that the grant funds were used effectively and in accordance with the objectives of the MMF.

7. Signature
